

## PATRONS OF THIS TRANSLATION

This translation of Friedrich Balduin's *Apostolic Agenda: Commentaries on Titus and Philemon* was commissioned by pastoral and diaconal students of Concordia Theological Seminary—Fort Wayne, Indiana, meeting in 2017, as their class gift. It is our prayer that this, the first full length work of Balduin available in English, would edify the hearts and minds of Christ's Church from now until His glorious return.
